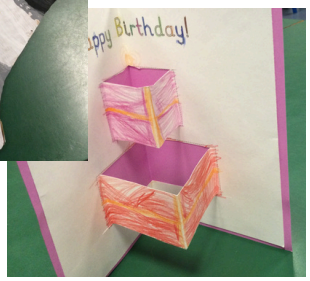
Year R Weekly Newsletter
Friday 20th November 2026

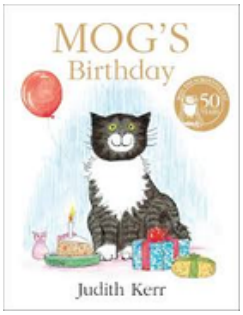
Thank you to those who joined us at our Bible Blessing on Thursday. Apologies for the short notice! We hope to be able to join the rest of the school for Mass over the coming weeks now that we have had the chance to see the Church.

We have noticed children bringing gloves into school, which is a great idea in this cold weather! We do ask that children practise putting their gloves on by themselves to help them develop independence.

See you on Monday,
Miss Cole



We have been very creative this week and we hope you enjoy seeing what we have made! We painted our own versions of Mog, trying hard to get the colours and placement right. We also made pop up birthday cards for Mog! The cutting was a bit tricky but we tried our best.



This week we enjoyed reading "Mog's Birthday." We also enjoy hearing about Mog's other adventures, she is a very silly cat!

<u>This week in RE...</u>

We continued to learn about Jesus' story from Saint Luke. We drew our own understanding of the Annunciation and learned about Mary and Joseph's journey to Bethlehem.

<u>Subject Spotlight: History.</u>

We loved looking at photos of our past birthdays together this week - thank you for sending them in!

<u>Dates for your diary:</u>

Friday 27th November - Friday Family Reading 3pm, Year R Classroom.

Don't forget to send in your child's Nativity clothes (black t-shirt and trousers/ leggings) by 30th November!

<u>Phonemes of the week!</u>

We are recapping and securing our knowledge of our Autumn 1 sounds.

Try reading these words with your child:

dog	pot	kid
cat	cap	got

Can your child tells you the sound for each grapheme?
